

Virginia Department of Medical Assistance Services  
 Medicaid Enterprise System (MES)  
**CCC Plus Waiver Services Taxonomy and Provider Enrollment Detail**

**Summary of Changes:**

A. Beginning on March 25, 2022, all DMAS Covered Services will require the use of Taxonomy Codes in claims submission.

B. A taxonomy listed here does not guarantee coverage of the services included in this document. Any services delivered are subject to FFS coverage and Medicaid policies.

<u>Procedure Code</u> <u>You Bill</u>	<u>Provider Class Type/Specialty Needed to Bill</u> Access the PRSS system and look at how you are enrolled in Virginia Medicaid. If you bill the code in column A, you must be enrolled as at least <u>one</u> of the valid provider class type/specialties in this column.	<u>Available Taxonomies</u> Use the provider class type/specialty that you are enrolled as and use the taxonomy that corresponds to it.
